

## **OSPREY WATCH**

Help us monitor Ospreys on the live webcam! Head to <a href="www.birdsofpooleharbour.co.uk/osprey/osprey-webcams/">www.birdsofpooleharbour.co.uk/osprey/osprey-webcams/</a> to watch the nest. Record their behaviours and what you see happening on the nest. Use the pictures below as a guide, but also note what other behaviours you see, like calling and defending the nest! Submit your records to <a href="mailto:bophha@birdsofpooleharbour.co.uk">bophha@birdsofpooleharbour.co.uk</a>

## **OSPREY WATCH**

Use this table as a guide to recording the behaviour, then try making your own! If you can manage to read the ring on the leg (LS7 or CJ7) then make sure to record that too. If you can't, don't worry, just leave that column blank.
